

Subject: DUSD Weekly Update – June 28, 2024

DUSD Community,

I hope our students, staff, and community are taking advantage of the summer break to rest, relax, and recharge their batteries. We look forward to seeing everyone in August, and for the first time, seeing students, in classrooms, on campus, at Emerald High.

Sincerely,

Chris D. Funk
Superintendent
Dublin Unified School District

DUSD Student Artists Make an Impressive Showing at the Alameda County Fair: Visual arts and photography teachers from Fallon Middle School, Wells Middle School, DHS and EHS submitted more than 200 works of student art for display at the Alameda County Fair's "Inside Our Schools" art exhibit. In addition to having their work on display, all students earned first, second or third place recognition, and some were awarded honors, including "Judge's Favorite", "Best in Class" and "Best in Show", along with several special recognitions that included a cash prize sponsored by various community organizations. This was Wells photography teacher Karey Ronnow's 9th year entering student artwork and each time, Wells artists have received an impressive amount of awards. Fallon's Vena Olsen, who entered student work for the first time this year, was honored that several of her students will be taking home ribbons along with their art. If you would like to see the student art, it will be on display in building R through the end of the fair, which closes on July 7. You can find information regarding hours and admission [here](#).

Infinite Campus Annual Update: The Infinite Campus Annual Update will open for the 2024/25 school year on July 22, 2024. If you have any current updates to your students' information such as address or phone number changes, they will be captured during the Annual Update process.
